On the 4th June 1960, Constables Nandlal Singh, Balkishun Rai and Mathura Rai having obtained reliable information that the two dacoits were in village Kasina, P.S. New Delhi, the 28th March 1964

#### RESOLUTION

No. 2-40/62-LD.—The National Livestock Committee (formerly All-India Cattle Show Committee) was set up by the Government of India in the late Education, Health and Lands Department Resolution No. F. 142/38-A, dated the 15th December, 1938. The principal function assigned to the Committee at that time was the holding of All-India and Regional Cattle and Poultry Shows. In 1955, the Committee established a Sales Intelligence Service for facilitating the purchase, transport, vaccination etc. of livestock intended for export to foreign countries.

2. In pursuance of the recommendations contained in the 80th Report (2nd Lok Sabha) of the Estimates Committee (1959-60) to the effect that the feasibility of reducing the existing number of organisations by amalgamating the functions thereof should be considered by Government, the question of continuance or otherwise of the National Livestock Committee as a separate organisation has been under consideration of the Government of India for some time past. Taking all factors into consideration, it has now been decided that it is no longer necessary to continue the Committee as a separate organisation. The function of the Committee relating to the organisation of cattle and poultry shows is, accordingly, being taken over by the Indian Council of Agricultural Research with effect from 1st April, 1964 while that relating to the purchase of livestock intended for export has been assigned to the State Directors of Animal Husbandry. The National Livestock Committee will thus cease to exist from 1st April, 1964.

3. The Government of India, late Education, Health and Lands Department, Resolution No. 142/38-A, dated the 15th December, 1938 is hereby cancelled.

#### ORDER

ORDERED that a copy of the Resolution be communicated to :—

### MINISTRY OF TRANSPORT

New Delhi, the 24th March 1964

No. SY-22(13)/60.—The Ship-Building and Ship Repairing Industry in India has been experiencing serious difficulties owing to lack of essential equipment, high cost and shortage of materials, inadequate port facilities and foreign competition. There has also been a sharp decline in the foreign exchange earnings from repairs to foreign ships. This has resulted in idle capacity and consequent shrinkage of the ship repairing industry and flight of technical personnel to other industries.

2. In their report submitted to Government in 1959, the Ship Repairs Committee, set up by the Government of India to examine the question of improvement of ship repair facilities in Indian Ports, had recommended *inter alia* that a suitable All-India Advisory Committee and Local Advisory Committees at Calcutta and Bombay should be set up to advise Government in all matters concerning development of Ship Repairs Industry in the country such as improvements in repair facilities, repair-berth and dry-dock programmes, shortage of materials required for the industry etc.

3. With the expansion of the Indian Merchant fleet, the necessity for the expansion of the ship repairing and ship-building facilities in the country needs no emphasis. The Government of India have considered the recommendations of the Ship Repairs Committee and after examining the existing position have come to the conclusion that it would be sufficient for the present if an All-India Advisory Committee is set up to meet alternately at Calcutta and Bombay, or at such places as the Chairman may find it necessary. With a view to bring together all interests concerned in an endeavour to develop unified approach to solve the problems facing the ship-building and ship repairing industry, it has accordingly been decided to constitute a Council known as the Central Advisory Council for Ship-Building and Ship Repairing with the following composition :—

(i) The Minister of Transport will be the President but the day to day functions of the Council will devolve on the Chairman.

*Chairman*

(ii) Dr. Nagendra Singh will be the Chairman of the Council, and will, in the absence of the President, preside over the meetings of the Council.
